

**TRITACARNE TC/22P INOX 1.5 HP / MINCER TC/22 P STEEL 1.5 HP / HACHOIR TC/22P INOX 1.5 HP**

| <b>COD.</b> | <b>DESCRIZIONE / DESCRIPTION / DESCRIPTION</b>  | <b>QTY</b> |
|-------------|---|------------|
| REF.1       | Carcassa Inox / Inox case / Carcasse acier inox   | 1          |
| REF.2       | Riduttore / Gearbox / Réducteur   | 1          |
| REF.3       | Motore monofase / Motor V.220 / Moteur V.230, hp 0,80   | 1          |
| REF.3A      | Motore trifase / Motor V. 380 / Moteur V. 380, hp 0,80  | 1          |
| REF.4       | Ghiera autobloccante / Self-stopping metal ring / Anneau de renfort auto-bloquant                                 | 1          |
| REF.5       | Tramoggia / Chute / Tremie  | 1          |
| REF.6       | Piedino in gomma / Rubber foot / Pieds de caoutchouc  | 4          |
| REF.7       | Passacavo Ø10 / Fairlead Ø10 / Fil complet avec fiche Ø10   | 1          |
| REF.8       | Pomello fermabocca / Mouth lock pommel / Pommeau arrêt de la bouche   | 1          |
| REF.9       | Scheda bassa tensione 24 volt / Low voltage board 24V / Carte basse tension 24V                                   | 1          |
| REF.10      | Bocchettone / Sleeve / Tubulure   | 1          |
| REF.11      | Vite TE M6x20 / Screw M6x20 / Vis M6x20   | 4          |
| REF.12      | Rondella per M6 / Washer for M6 / Rondelle for M6   | 4          |
| REF.13      | Vite M5x20 / Screw M5x20 / Vis M5x20  | 4          |
| REF.14      | Rondella per M5 / Washer for M5 / Rondelle for M5   | 4          |
| REF.15      | Perno trascinamento elica / Propeller drawing pin / Pivot entraînement hélice                                     | 1          |
| REF.16      | Chiavetta A6x6 / Key A6x6 / clé A6x6  | 2          |
| REF.17      | Cuscinetto reggispinta 51105 / Thrust bearing 51105 / Palier 51105  | 1          |
| REF.18      | Paraolio 30x47x7 / Oil seal 30x47x7 / Para-huile 30x47x7  | 1          |
| REF.19      | Collarino / Collar / Collier  | 1          |
| REF.20      | Vite TCEI M5x16 / Screw TCEI M5x16 / Vis TCEI M5x16   | 1          |
| REF.21      | Condensatore 25MF / Condenser 25MF / Condenseur 25MF  | 1          |
| REF.22      | Bocca / Mouth / Bouche  | 1          |
| REF.23      | Elica / Propeller / Hélice  | 1          |
| REF.24      | Perno elica / Propeller pin / Pivot hélice  | 1          |
| REF.25      | Spina fermapietra / Plate lock plug / Cheville arrêt de la plaque   | 1          |
| REF.26      | Piastra 2,5 - 3,5 MM enterprise / Plate 2,5- 3,5 MM enterprise / Plaque 2,5 - 3,5 MM enterprise                   | 1          |
| REF. 26     | Piastra 4-20 MM enterprise / Plate 4-20 MM enterprise / Plaque 4-20 MM enterprise                                 | 1          |
| REF.27      | Coltello / Knife / Couteau  | 1          |
| REF.28      | Volantino / Stainless steel flywheel / Volant inox  | 1          |
| REF.29      | Catino / Tray / Cuvette   | 1          |
| REF.30      | Basetta inferiore / Inferior base / Base inférieure   | 1          |
| REF.31      | Interruttore multifunzione ce / Multifunction button CE / Bouton Multifonction complet CE                         | 1          |
| REF.36BIS   | CONTATTI MULTIFUNZIONE + GHIERA / MULTIFUNCTION CONTACTES + RING NUT / CONTACTS MULTIFUNCTION + ANNEAU DE RENFORT | 1          |
| REF.32      | Invertitore extracee / Invertor (extracee) / Inverseur (extracee)   | 1          |
| REF.33      | Spina acciaio 23cm Ø 6 / Steel plug 23 cm Ø 6 / Cheville acier Ø 6  | 1          |
| REF.34      | Quadretto fermabocca / Mouth lock square / Carre d'arrêt de la bouche   | 1          |
| REF.35      | Vite TCEI M5x10 / Screw TCEI M5x10 / Vis TCEI M5x10   | 1          |
| REF.36      | Vite TCEI M5x20 / Screw TCEI M5x20 / Vis TCEI M5x20   | 1          |
| REF.37      | Distanziale in plastica / Plastic spacer ring / Anneau entretoise en plastique                                    | 4          |
| REF.38      | Dado medio M3 / Medium nut M3 / Ecrin moyenne M3  | 4          |
| REF.imb     | Serie 3 imbuto per insaccare / Set of 3 funnels for sausages / Série 3 embouts pour ensacher                      | 3          |
| REF. fer    | Ferma elica / Propeller Stop / Arrête hélice  | 1          |
